

Nepplast

Who we are?

We are a company engaged in the production and wholesale of gastro-packaging.

Our main priority is to reduce plastic waste in the catering industry, which is why we offer mainly gastro-packaging made of paper.

Our main products lines!

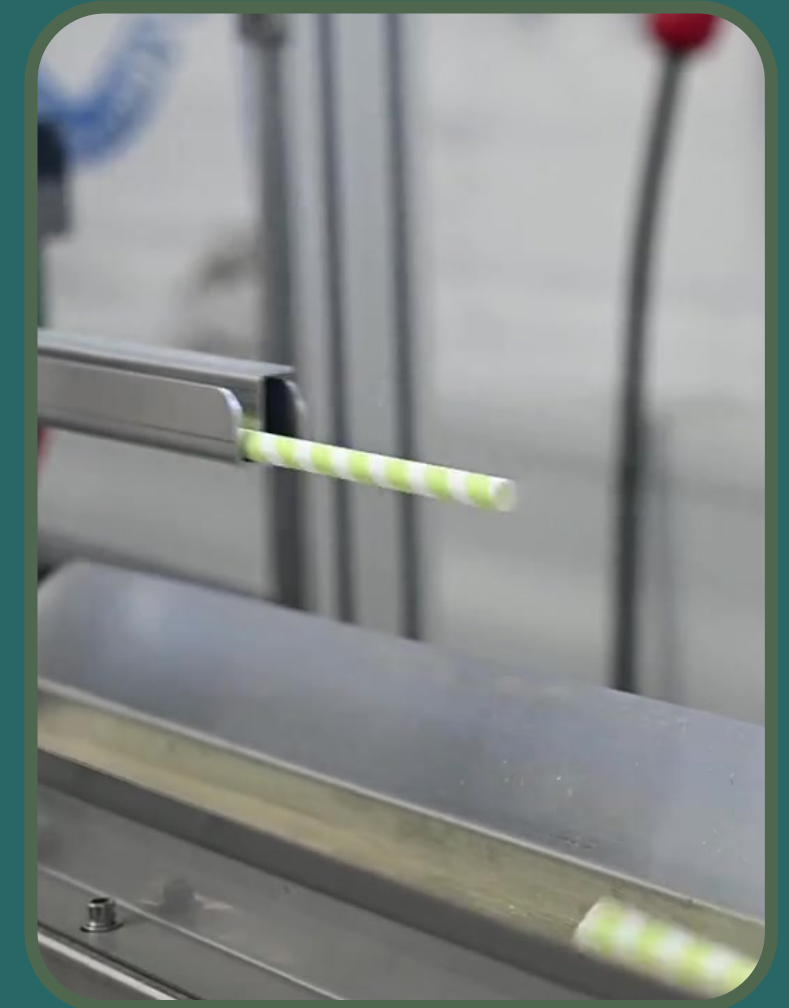

Take a Way

You can consume your salad or any other meal you love in a healthy way with these lunch boxes.

Bowls

Paper bowls are great packing for all types of meals. We offer these bowls with PP and PET lids.

Paper straws

Eco-friendly paper straws, made from 100% biodegradable paper. Resistance from -20°C to +80°C.
