

Talent Solutions

Your partner in every direction

TALENT SOLUTIONS

We have been operating on the Slovak market since 2002. Thanks to many years of experience, we can respond flexibly to the needs of our clients.

We currently have more than 6 branches and Onsite workplaces throughout Slovakia. The presence in individual regions allows us to know the local specifics of the labor market in detail.

When providing our services, we combine the interests of both groups, applicants and employers. We solve the needs of our clients in the field of human resources management and at the same time we give applicants and agency employees a chance for professional development.

We place more than 500 agency employees daily and more than 600 positions per year.
