Prevádzka spoločnosti:

Mestský majer 2, 934 01 Levice

- Europalt is a family engineering company that offers a serial and custom production of steel, stainless steel and aluminum materials.
- Europalt was founded in 1995 and was the exclusive manufacturer of selected clutch and brake parts for Liaz, Tatra, Karosa trucks and Škoda. In 2003, it began to cooperate with a French company and produce hospital beds, chairs and other steel accessories for home care.
- In 2004, the company began to focus on garden mechanisms, developed mulching mowers for a Dutch company, which were introduced in 2007 under the names GTM 1350 and GTM 150.
- We also focus on our own garden waste shredders, which are distributed all over Europe under the trademark CRONOSS,
- We offer complex solutions from product design in modern 3D software, processing of technical documentation, technological procedures to final production and assembly of products. We use modern machines to ensure the highest quality
- We are a holder of the ISO 9001:2015 certificate since 2002. TUV Nord has held the ISO 9001:2015 certificate since 2002.

Various products

➤ **We offer for customers:**

- **Laser cutting** 4 modern Trumpf and Bystronic lasers
- **CNC bending** 2 Trumpf machines, sheet length up to 3000mm with maximum precise bending
- **Sheet metal pressing**
- **Welding** We provide welding of metal, stainless steel and aluminum materials both manual welding workplaces and robotic welding workplaces using MIG, MAG, TIG, resistance welding and laser welding.
- **Grinding** Grinding helps to remove oxidation on the edges after laser cutting, sharp edges, sparks after welding
- **Surface treatment** Our powder coating workshop deals with the surface treatment of iron, aluminum or galvanized objects. Powder colors are a modern and ecological solution.
- **Assembly of product**
- **Professional staff**

Our production:

- Charging station for e-Car
- Incinerating toilets EkoToi1200
- Professional wood chippers

The present:

- cca 70 employee
- production of wood chippers which sales under the trademark CRONOSS WOODCHIPPER
- production of spare parts for trucks - company Miba Steeltec s.r.o.
- cooperation with company HERN Námestovo, first production for John Deere
- cooperation with company OTOLIFT - Palárikovo, production main welder
- cooperation with company EVONA ELECTRONIC s.r.o. - production components to slot machine , distribution to all of the world
- production and development for company- EVOMED vapour air cleaner
- Production our own product - Enhecinerating toalets which sale under the trademark EkoToi

Company Europalt
has been certified
by TUV NORD
CERT since 2002

CERTIFIKÁT

pre systém manažérstva podľa
EN ISO 9001 : 2015

Certifikačný orgán TÜV NORD CERT GmbH týmto potvrdzuje ako výsledok auditu,
hodnotenie a rozhodnutie o certifikácii podľa normy ISO/IEC 17021-1: 2015, že organizácia

EUROPALT, spol. s r.o.
2
935 35 Tehla
Slovenská republika

s miestom uvedeným v prílohe

prevádzkuje systém manažérstva v zhode s požiadavkami normy ISO 9001:2015 a že počas platnosti certifikátu,
ktorá je 3 roky, bude jeho zhoda s normou monitorovaná.

Oblasť platnosti

**Výroba, montáž a dodávanie obrábaných, lisovaných, zváraných
a vypaľovaných dielov.**

Registračné číslo certifikátu 44 100 086293
Audit, správa číslo 1498/2022

Platný od 23.12.2020
Platný do 22.12.2023
Prvocertifikácia 2002

Certifikačné miesto
TÜV NORD CERT GmbH

Bratislava, 21.12.2022

Neoddeliteľnou súčasťou tohto certifikátu je príloha (1 strana).
Platnosť certifikátu je možné overiť na <https://www.tuev-nord.de/de/unternehmen/zertifizierung/zertifikatsdatenbank>.

TÜV NORD CERT GmbH

Am TÜV 1

45307 Essen

Company premises in Levice

- Production hall 2000 m²
- Mounting hall 700 m²
- Workshop and maintenance 250 m²
- Warehouses 500 m²
- Developers spaces 100 m²
- Offices 200 m² □

Laser cutting

- TRUMATIC L3030
- TruLaser 5030 classic
- BYSTRONIC BYSmart Fiber 6000 Watt
- BYSTRONIC BY TUBE 130 - F3000
- CNC-controlled device
- cutting a machining flat workpieces
- max. size metal sheet 1500x3000
- max. sheet tickeness:
 - steel plate 25 mm
 - stainless steel plate 230mm
 - aluminium sheet 30 mm
 - Copper sheet 15 mm
 - Brass plate 12 mm
- part of it is a bridge electric crane with capacity 1000 kg a vacuum manipulator
- additional equipment is ROTOLAS - machining pipes and pipes profiles with a diameter of 20-420 mm
- steel sheet stucker with 8 positions for laser cutting

Sheet metal edging

- TrumaBend V230
- TruBend 5130
- TruBend 7050
- hydraulics bending machines
- sheet metal pressing - bending and metal sheet forming,
- pressing force 1600 - 2300 kN
- hemming length up to 3230 mm
- it includes a bending aid to allow
- you to bend a large sheet format

- next includes is ACB sensor that allowing to achieve high precision bent sheets

Welding workplaces

- MIG/MAG welding
 - TIG welding
 - spot welder
 - Flame welding
 - Robotics welding workplace
- ABB

Material processing and pressing

✓ SN32

- ✓ PUMA 3100 ... Ø500 x 760 mm
- ✓ PUMA 240 MB ... Ø300 x 560 mm
- ✓ LYNX 220 ... Ø320 x 300 mm
- ✓ Okuma LT2000 EX MY ... Ø210 x 700 mm
- ✓ Swing 1026 ... Ø26 x 2500 mm
- ✓ Citizen Ø 32 x 2500 mm

- ✓ Takamaz XW80M Ø170 x 126 mm
- ✓ SlovTos FCM 22/25 ... 450 x 250 x 320 mm
- ✓ Tarex A.130-CNC ✓ FA-3AU
- ✓ Lynx 2100 ... Ø300 x 300 mm
- ✓ Roscamat 400, VR-4, VO-32,
- ✓ PEGAS 295, ARG-240,...
- ✓ LEXN 100C,...
- ✓ Peddiworker 801,...
- ✓ Doosan T3600 ... 520 x 360 x 350 mm
- ✓ Drátorezačka Fanux C400iB ... 350 x 400 m

Manual workplaces:

- angle grinding, vibrant grinding)
- belt sanders 1000 mm
- grinding
- mounting workplace (easy mounting, difficult assembly)

Surface treatment

- Speed of conveyor
 - from 0,8 - 3 m/min
- Maximum troughput of the line 3000 x 1800 x 700
 - (L x H x W)
- Weight of parts
 - 100 kg for 1 meter
- Plastic painting cabin
 - Wagner PXE
- Fast color change
 - 20 min for color change
- Painting nozle
 - 5 + 5 automatics paining nozle
- Pretreatment with guarantee 500 hours in salt bath
 - degreasing with heating
 - cold rinse
 - cold rinse
 - pasivation
 - cold rinse with demi water
- 2 manual painting workplaces
 - 2 x Wagner Prima Sprint XE
