twd[®]

Who are we?

We are distributors of high-quality furniture and construction hardware, large-format materials, tools, and a broad assortment of products for professionals and home craftsmen alike. Our product portfolio is continuously developed and expanded in cooperation with renowned suppliers such as Blum, Fundermax, Pfleiderer, Siegenia, Voga, and many others.

We carry out our activities professionally and responsibly, fully adapting them to the current needs of our customers. This approach is also reflected in our manufacturing operations, which focus on the production of furniture components, carcasses, and cabinets.

We hope that the loyalty and trust our customers have shown us for more than 30 years will continue to be reflected in the company's future presence in the market.

Complete Service

We offer comprehensive service in supplying materials for the production of furniture, windows, and doors across Slovakia, the Czech Republic, Poland, Hungary, and Ukraine within 24 hours.

We are your reliable partner for high-quality and stylish solutions for your interior and exterior needs.

Component Manufacturing

We specialize in sizing, edge-banding, drilling, and milling, which includes precise material processing according to the individual requirements and specifications of our clients. Our experienced and skilled workforce ensures high product quality and accuracy at every stage of the process.

Terraces and Facades

In our offer, you will find terraces made from high-quality WOODPLASTIC[®] material, ventilated facades, and the PANELSYSTEMS system, designed for the installation of modern, low-maintenance ventilated facades.

Portal Easy

Optimized lift-and-slide system with a threshold strip.
